Know Our World

Atheism, the clash of religions, fundamentalism, empty churches, pop spirituality and political bishops – the interface between culture and religion isn’t only fascinating, but holds the key to understanding tensions that ripple through our world.

“ I have no hesitation in recommending Dr. Greg Barker; he is a charismatic speaker - the most effective communicator I’ve heard. He’s able to communicate at all levels; everybody learns from him. ”

John Vernon Thomas, Police Constable

16Year Old

“ Watching Greg “in action” in front of an audience is most impressive. Of course he knows what he is talking about – but more importantly he can present it brilliantly and draw out the best from any group. ”
